

TerraMark

Permanent, professional
identification for your
thermoplastic vessels

Terracon is proud to introduce the TerraMark permanent identification system for plastic products, the first of its kind in the pharmaceutical industry.

TerraMark gives you:

- Permanent labeling on your thermoplastic vessel
- Cleanability
- No product contact
- Professional appearance
- NO MINIMUM QUANTITY!

TerraMark's flexibility and Terracon's fast turnaround mean that every vessel can be uniquely marked in a cost-effective manner without sacrificing autoclavability.

Put away your Sharpie®! We'll TerraMark your next vessel!
